

New grad RN virtual info session

Learn about opportunities at Providence

Providence nursing leaders recognize that to deliver world-class care, we must provide new graduate nurses with a foundation for success. We empower nurses to become transformational leaders through an integrated, consistent structure for mentoring, nurse onboarding and professional development. We're offering opportunities to work in Alaska, California, Montana, New Mexico, Oregon, Texas & Washington with over 50 hospitals and 22+ specialties to choose from.

Join our upcoming info session and Q&A to learn more about roles available to new grad RNs, growth opportunities, what a day-in-the-life looks like and more!

For any questions about the event, please reach out to us via email at ta-events@providence.org.
